IAS NOTES

Four Notes were reviewed and approved for publication.

MANAGEMENT ADVISORY GROUP (MAG)

The members were notified that there were openings for the next holdings of the MAG session. The members were asked to consider their people who are just under the branch chief level for this very worthwhile experience. Names of those interested in the special assignment should be submitted to [Redacted] by COB 18 August. Those wanting information on the workings of the group should consult [Redacted]

PROJECT AND ACTIVITY CODES

25X1A [] announced that [] is reissuing the list of project numbers and activity codes for use by imagery analysts. The list was revised particularly to call attention to the activities covered by the administrative code. (The revised list was subsequently distributed.)

25X1A

VISIT BY COL. BARGER

25X1A [] reported on a visit by [] new Chief NPIC Training Officer. He replaced [] who is off to school for a year and to OTR for another year on an EEO recruiting assignment. [] informed [] he is reorganizing [] new employees monthly orientation program. He is proposing that new employees from all Building tenants as well as NPIC have an opportunity to attend the orientation course and tour Building facilities. [] is the Director's representative for briefing this group in IAS and will be the point of contact for the tours.

25X1A

AGENCY I.D. CARDS AT HEADQUARTERS

25X1A [] reported that Agency I.D. cards are no longer held by the Security people []

25X1A

IAS ANNUAL MANAGEMENT CONFERENCE

25X1A [] announced that the accommodations for this year's conference have been made [] for 13-14 October. Travel arrangements will be made at a later date.

25X1A

XEROX 4,000

25X1A IAS has received this new machine on loan for ten weeks, beginning next Monday. It will be located in a room off the first corridor in SID; [] old room.

CRT CONSOLE

IAS is considering several low cost desk size consoles for future use. A limited number of additional computer outlets would be needed for each division.

EXPERIMENTAL QUARTERLY REPORT

The Chairman introduced the subject by giving the background on the involvement of this report. He then initiated a discussion on the continuing need for this report. The members all agreed that the same kind of review of experimental projects could be accomplished, with less effort, by getting a
